

## About BJETS

BJETS is Asia's first dedicated private aviation services provider, operating the largest fleet of aircraft. We offer access to world-class private jet travel in a manner best suited to our customers. Whether through Fractional Ownership or pre-paid hours, our programmes can be tailored specifically to meet a wide range of operational and financial requirements.

## Facts on BJETS Fractional Ownership programme

- Instead of owning a private jet outright, you buy a share of an aircraft corresponding to the number of hours you need.
- Aircraft availability is guaranteed within a 24 hour notice period, with out any compromise on your experience.
- Saves you the ordeal of maintaining, staffing and operating aircraft.
- Sharing reduces the costs of owning and operating an aircraft.
- In addition to owning an aircraft share, there are two simple cost elements: a fraction of the fixed monthly charges (pilot salaries, insurance, operations support, and quality assurance) and the variable costs (fuel, landing fees, maintenance).
- These operating costs are predicable over a five-year term.
- A guaranteed buy-back agreement ensures that your aircraft is an asset that never becomes a burden.
- Your share will be repurchased within 90 days at a market determined price.

## Facts on BJETS Block Charter Programme

- Altitude, BJETS' membership programme is available in convenient pre-paid blocks of time providing immense flexibility and convenience.
- Aircraft availability is guaranteed within a 24 hour notice period, without any compromise on your experience.
- Offers all the benefits of owning your own jet, at a fraction of the cost.
- When you use your jet card you pay only for the hours you fly. With this You can fly whenever, wherever and with whomever you like.
- Saves you the ordeal of waiting in line and being bound by flight schedules of commercial airlines.
